Dear Well Beings:

...and Love will steer the stars.

Love, Susan

The Aquarian alignment 14th February 2009

At dawn on 14th February the day dedicated to St Valentine, the patron saint of Love, the Moon in Libra enters the seventh house of relationships. And Jupiter and Mars are aligned in Aquarius in the twelfth house of spiritual transformation.

Forty years ago, the intuitive words of a song called *Aquarius*, brought the dawning of the new age into our collective awareness:

When the Moon is in the seventh house

and Jupiter aligns with Mars.

Then peace will guide the planets

and love will steer the stars

At dawn on 14th February the Cosmos actually embodies this perfect alignment to support our collective manifestation of love and peace and dawning of the Age of Aquarius.

The Aquarian chart of 14th February reveals an incredible concentration of cosmic influences blending with the energies of Aquarius in the twelfth house. Expansive Jupiter and energetic Mars are aligned with the higher purpose of the North Node. The presence of Chiron the wounded healer offers us the opportunity to heal the schisms that have separated us for so long. Neptune emphasizes collective humanitarian movements and the co-creation of social justice. And the presence of the radiant Sun enlightens the entire alignment.

Mercury also in the twelfth house but just beyond the cusp in Capricorn, allies with transformational Pluto to communicate and anchor the Shift throughout our global structures and institutions.

The Moon in Libra in the seventh house emphasizes harmonious *real* -ationships.

Venus in Aries in the first house energizes and empowers dynamic co-creativity.

And whilst Saturn the great task master in opposition to Uranus the unexpected awakener is suggesting an ongoing confrontation as the dregs of the unsustainable old paradigm reluctantly give way to the untested hope of the new, their placements in Virgo and Pisces brings practical altruism and visionary inspiration to the transition.

At 7.25am on 14th February - and for the 18 minutes of the alignment, I invite you, in the universal heart, to add your own intention for love and peace and to co-create the dawning of the Age of Aquarius to that of the Cosmos. In whatever way feels appropriate for you, you may choose to align with 7.25am (UT) or 7.25am your own local time energizing a wave of intention that will surge around the Earth.
