

LOVE-YOUR-LIFE... Money Lessons

Career and Money

Does money come easy? Or does it play an elusive game? This is a class about our relationship with money and how we get it.

There are many ways to make money.
Money has properties and emotions attached to it. We'll cover those.
Our work has emotions attached to it too.... and we'll cover that too.

Cherish your visions and your dreams, as they are the children of your soul, the blueprints of your ultimate accomplishments. -Napoleon Hill

There are things we do for money, for our livelihood, for security, for necessity sometimes... Do they serve your soul, as well?

As we grow in awareness and depth, the alignment of personal and professional will matter more. We want our work to be something honorable that aligns with and feeds our spirit, as well as your bank account.

Those are not mutually exclusive...and that will be part of the MONEY conversation. Soul and money and work that opens the flow...
