

# GOING NATURAL FOR YOUR PET'S MEDICINE CABINET

---

## A Class on the Application of Therapeutic Essential Oils For Pet Health Care

**SATURDAY AFTERNOON, JANUARY 24, 2009**

1:00 – 2:30 PM

Class fee \$12

INSTRUCTOR: Mary C. Ward-Farnham

**Kindred Spirit Wellness Center**

**2312 N Grandview Blvd**

**Suite 101**

**Waukesha, WI, 53188**

Come learn how we apply therapeutic-grade essential oils to aid our pet's digestive issues, skin care, parasites, wound care, calming methods, infections and more. Essential oils are nature's healing products you can put in the family medicine cabinet for everyone's health, humans and critters. We'll have fun, we'll be creative and we'll discuss "real nutrition" for our pet friends!
