

## 20 Things an Artist's / Writer's / Creative's Heart Desires

1. Enough time and space to create, write, rest, play
2. More than enough money to easily pay their bills and themselves
3. To feel good, happy, vibrantly alive
4. To feel they are living a meaningful life
5. To have enough energy to easily get through their days
6. Relationships that are healthy —personally, professionally, creatively
7. To feel and be successful
8. Courage and confidence to follow their heart; to follow their bliss
9. To live / work in physical spaces that are pleasing, inspiring, beautiful
10. To feel joy every day and pass it on
11. Work that plays to their strengths
12. To have no regrets
13. To spend quality time with themselves, alone
14. A treasured tribe of soul sisters, co-creative collaborators
15. To engage in healthy-boundary and self-care practices
16. To attract opportunities and clients easily
17. To have reserves of everything (time, money, love, confidence, etc.)
18. To live with integrity
19. To love their life
20. To imagine without limits and believe in magic
