CELEBRATING THE FEMININE SPIRIT

WEEKLY SCHEDULE –

SUMMER BEACH SERIES - 2018

Summer Reading Women's Book Club

Women's wisdom, summer reading, sharing in a summer open-air beach-side circle. Deeper conversations of wise, well-seasoned women who gather.

CHOOSE YOUR OWN BOOK. Where are you drawn to grow and play this summer? What are you reading? Or what's waiting for you to dive into? Where is your Spirit of Love and Joy and Creativity pulling you forward? Life-traveling, especially in summer, has a freedom and spaciousness about it. Different environments—places, people, routines.

GUIDELINES: that your book be written by a woman and that you're drawn to it, for whatever kind of uplifting and inspiring reason it calls you. ...

Those will be our conversation starters each week.

I will be reading and sharing from Danielle LaPorte's *Fire Starter Sessions* -- and continuing Monday Morning calls that uses this book also...a virtual women's book study option.

Love Exchange: \$60 / \$30 for [members](#)

[Register Now](#) Welcome.

TUESDAY MORNINGS at 8:30 a.m. | PEWAUKEE Beach | (Meet me at coffee at **Brewers Two** and we'll walk across the street)

How Beach Group Works:

- Group meets **6 times over 7 weeks.** (Holiday week break)
- **Read** chapters for the week
- **Bring** a section from those pages that you want to read out loud to the group and talk about.
- **There is no agenda...** except to provide a place of meaningful exchanges. We have much to offer one another. These have been amazing uncommon conversations and connectings. This to our 7th season.
